

Science, Technology, Engineering and Math (STEM) 36-Month Work Permit

› STEM 36-month Work Permit

University at Albany STEM students are eligible to apply for up to 36 months of Optional Practical Training (OPT) work permits in the following fields:

Actuarial and Mathematical Sciences
Applied Atmospheric Science (*Graduate Program Only*)
Applied Chemistry (*Graduate Program Only*)
Atmospheric Science
Behavioral Neuroscience (*Graduate Program Only*)
Biochemistry and Molecular Biology
Biodiversity, Conservation and Policy
(*Graduate Program Only*)
Biology
Biomedical Science (*Graduate Program Only*)
Biostatistics (*Graduate Program Only*)
Business Analytics (*Graduate Program Only*)
Business Economics
Chemistry
Climate Science
Cognitive Psychology (*Graduate Program Only*)
Computational Physics (*Graduate Program Only*)
Computer Science and Applied Mathematics
Computer Science
Curriculum Development and
Instructional Technology (*Graduate Program Only*)
Cybersecurity
Data Science (*Graduate Program Only*)
(*Graduate Program Only*)
Demography (*Graduate Program Only*)
Digital Forensics
Digital Forensics and Cybersecurity
(*Graduate Program Only*)
Educational Research (*Graduate Program Only*)
Economic Forecasting (*Graduate Program Only*)
Economics
Electrical and Computer Engineering
Environmental and Sustainable Engineering
Environmental Science
Environmental Health (*Graduate Program Only*)
Epidemiology (*Graduate Program Only*)
Financial Market Regulation
Forensic Biology (*Graduate Program Only*)
Forensic Molecular Biology (*Graduate Program Only*)
Forensic Science Investigation and Management
(*Graduate Program Only*)
Geographic Information Science
(*Graduate Program Only*)
Human Biology
Industrial and Organizational Psychology
(*Graduate Program Only*)
Informatics
Information Science (*Graduate Program Only*)
Information Security (*Graduate Program Only*)
Machine Learning (*Graduate Program Only*)
Mathematics
Nanobioscience (*Graduate Program Only*)
Nanoscale Engineering
Nanoscale Science
Physics
Professional Science Management - Forensic Science
Investigation and Management
(*Graduate Program Only*)
Quantitative Economics and Data Analytics
Social and Personality Psychology
(*Graduate Program Only*)
Topological Data Analysis (*Graduate Program Only*)
