FACILITIES MANAGEMENT
UNIVERSITY AT ALBANY
STATE UNIVERSITY OF NEW YORK

Work Alert Notification

Dear Members of the UAlbany Community,

Please be advised of the following work alert notification in the **Physics building** for **asbestos abatement** in the **basement Mechanical Equipment Room (MER), B-27** and **basement Electric Equipment Room (EER), B-29**. This work is necessary to support a project managed by Facilities.

Work will **occur nightly from 10:00 PM to 6:00 AM the following morning**, starting **Monday, May 13, 2024 at 10:00 PM to Friday, May 24, 2024 at 6:00 AM**.

During this time work will result in the following impacts:

Tues night 5/14 from 10PM to 6AM power interruptions to:

- **Building elevator**
- **Power to room B-9**
- **Power to HVAC equipment in MER B-27: This will affect building airflow so fume hoods in Physics should be cleared and secured during this time period**

During a portion of this two-week period a temporary containment structure will be placed the hallway in front of the entrance to MER B-27. This structure will not block the hallway.

If you have any questions or concerns regarding this work, please contact the project manager, David Radzyski, at hradzyski@albany.edu or at 442-3437 or the construction manager, Matt Whaley, at mcwhaley@albany.edu or at 518-949-7536.

Campus: UPTOWN CAMPUS

Building(s): Physics

Reason for Notification: Work impact on building

Estimated Start: Monday, May 13, 2024, 10:00 PM

Estimated End: Friday, May 24, 2024, 6:00 AM

Critical Work Description or Scope:

Abate asbestos insulation from original mechanical equipment and electrical cables so it can be removed and replaced with new equipment and cables.

Potential Impacts on Surrounding Areas:

- Elevator
- Heating/Cooling
- Ventilation
- Fume hoods
- Power & lighting (localize impact)

For a listing of all current Project Work Alert Notifications and notable campus projects, please view our [web page](#).

We thank you for your continued support and apologize for any inconvenience this work may cause as we continue to renovate and upgrade the University.
